TECHNICIANS / PARTS / PORTERS

NEW

Tech shirt is stocked with both left arm and back logo embroidery.

Tech Shirt

65% Polyester / 35% Cotton

Performance Fabric

- Moisture wicking to pull moisture away from the body for more comfort
- Soil release to keep clothes looking cleaner longer, wear after wear

Styling Features

- Covered front placket with concealed buttons for no scratch appeal
- Extra pockets added with extra compartments for easy storage of common small utensils
- Nissan embroidery logo strategically placed on left sleeve and back neck while portraying a consistent branding message. This allows for dealership name to be placed at left chest and wearer's name at right chest.
- Contrasting side panels give a modern look
- Back yoke is lined with a lightweight performance moisture wicking mesh to absorb and let go of moisture and allow for a cooler-feeling work day.
- Bottom hem is loose and comfortable with side vents for refined look whether worn tucked in or left untucked
- Spread collar allows neck to stay cooler
